EAN: 5901752485228

Electric tester with display

Universal tester to measure DC and AC voltage range from 12V-220V capable of detecting the voltage on the electric wires. Equipped with steel shafts, signaling neon tube and an LCD display. No batteries required. Tester provides two methods of operation: contact and non-contact (inductive).

Optical indication:

Display:
yes"

General information

Optical indication: yes

Low battery indication: no

Sound indication: no

Range of measurement: 12-250V AC/DC

Overload protection: no

Battery included: no

Dimensions - width: 2,6 mm

Display: yes "

Dimensions - height: 145 mm

Dimensions - depth: 1,8 mm

Other features: 3mm flat tip
